

SCHOOL OF EARTH SCIENCES FIELDWORK INFORMATION SHEET

Year 1 BSc & MSci Honours Environmental Geoscience and Geology students, and Joint Honours Geology & Biology, Palaeontology & Evolution and Archaeological Sciences students.

As an Earth Science undergraduate you will be undertaking a variety of practical and fieldwork classes throughout your three or four years in the School. There are several items which you will need to obtain to participate in your programme as indicated below:

	Geology Geology & Biology Palaeontology & Evolution Archaeological & Anthropological Sciences	Environmental Geoscience
Handlens (chrome x10)	Yes	Yes
Compass/clinometer	Yes	Yes
Notebook	Yes	Yes
Geological hammer (2lb)	Yes	
Hard hat	Yes	Yes
High-visibility vest	Yes	Yes
Eye protection goggles	Yes	Yes
Birefringence chart	Yes	Yes
Grainsize card	Yes	Yes
Igneous rocks card	Yes	Yes
Metamorphic rocks card	Yes	Yes

You may have some of these items already, but if not, a full package is available *via* a School bulk purchase. The Geology items will be available for you to buy for £135, while the Environmental Geoscience items will be available for you to buy for £110. Both these prices represent a saving of more than 10% of the price of single items from suppliers.

If you wish to purchase either set of field items please fill in and return the attached form to Ann Morgan-Davies, School of Earth Sciences, Wills Memorial Building, Queen's Road, Bristol, BS8 1RJ by **Friday 9th September**, marking your envelope 'New Student'. Suppliers permitting, you will receive your package at Registration or early in the term.

If you already have some of the items, the others will be available to buy through the School, but the total cost to you if you buy all package items individually through the School will be higher than purchasing the full package in advance.
